

## KINEXIN CONVENTION MANAGEMENT PRIVATE LIMITED

### TENDER NOTICE FOR FACILITY MANAGEMENT SERVICE PROVIDER AT

#### India International Convention and Exhibition Center(IICC)

IICC(India International Convention & Exhibition Centre), located in Dwarka Sector 25, New Delhi is the flagship project of DPIIT(Department for Promotion of Industry and Internal Trade) of the Ministry of Commerce and Industry of India with an aim to position India as the best MICE(Meeting, Incentive, Convention and Exhibition) destination in the Asian region. On top of this, IICC is being built to achieve the strategic objectives of the Government of India(GoI) which encompass the promotion of international trade, tourism and commerce by providing the people visiting IICC the finest MICE facilities of global standards. IICC Limited selected KINEXIN Convention Management Private Limited as an official venue operator of IICC on June 25, 2018. KINEXIN Convention Management Private Limited is a sister company of KINTEX which is Korea's largest venue as well as a leading exhibition organizer.

Upon completion, IICC will become the largest convention and exhibition venue in southwestern Asia. Among the five exhibition halls totaling more than 240,000sqm, Exhibition Hall 1 and Exhibition Hall 2 in the construction Phase I account for 60,000sqm, each of which can be divided into four parts for multiple concurrent exhibitions. In addition, a 7-story Convention Center of 60,000sqm, conveniently connected to Exhibition Hall 1, can accommodate up to 12,000 visitors with the nation's largest auditorium for 6,000 people, Grand Ballroom and many other small and middle-sized conference rooms throughout the Convention Center.

KINEXIN Convention Management Private Limited, official operator of IICC, would like to encourage the experienced and capable integrated facility management service providers to participate in this tender to acquire the right to perform facility management services within IICC under the venue operator's supervision, which will be a good opportunity to improve their global reputation with KINEXIN and IICC. Interested bidders wishing to participate in this tender shall submit their proposals and all related documents electronically and physically by **23:00 May 29, 2023(Indian Standard Time)**. All participating bidders shall also submit the original version of hard copies of bid proposals and any other supporting materials to KINEXIN corporate address(225-A, D-21, Corporate Park, Sector 21, Shahabad Mohammadpur, New Delhi, Delhi, India).

Interested bidders shall pay a non-refundable Participation Fee of INR 30,000 plus Goods and Services Tax(GST) at 18%(eighteen percent) to the account specified in RFP. The bidder's submission stands valid only when the bid security INR 7,200,000, which is 2%(two percent) of the estimated bid price, plus GTS at 18% is paid before the bid submission end time/date which is **23:00 May 29, 2023(Indian Standard Time)**.

KINEXIN requests all tender participants to thoroughly read and completely understand the content of the attached RFP to avoid any possible disadvantages that may be caused by participants' insufficient preparation.
